

ANNUAL REPORT

2020 – 2021

PRESIDENT AND CHAIR MESSAGE

Dear Friends,

As a reproductive healthcare organization, Planned Parenthood of Western Pennsylvania (PPWP) has witnessed many unprecedented attacks on reproductive rights during this fiscal year. In Pennsylvania, harmful bills were introduced including multiple PA Senate and PA House bills to restrict abortion access and a PA Senate bill to defund Planned Parenthood statewide. Despite these attacks, PPWP has and will continue to provide reproductive healthcare to those in need of our services.

In 2021, PPWP received good news as the Biden-Harris Administration moved to restore and renew the Title X funding. Although we were expecting reentry into the program in March 2022, there are lawsuits that may delay us from obtaining Title X funding at that time. We are hopeful that at some point in 2022 we will reenter the program, and thanks to the support of generous donors we have kept our doors open providing access to affordable healthcare for vulnerable populations. PPWP has also been at the forefront of many social justice issues this year, including the fight for gender inclusion and racial equity and justice.

In January of 2021, PPWP began offering Gender Affirming Care for transgender and nonbinary individuals. We are one of only a handful of health centers in the region to fully support members of the LGBTQIA+ community by providing this low-cost service. PPWP is an essential and irreplaceable provider of gender-affirming hormone therapy and general care for transgender patients – especially in areas outside of the Pittsburgh metropolitan areas, where we are often the only provider offering these services. We are committed to improving how transgender people receive health care and sex education in our region, and we proudly work with the transgender community to eliminate barriers to care.

In 2021, we also embarked on an intensive diversity, equity, and inclusion program to ensure that all employee voices are heard, and a culture of equality, inclusion, and belonging is developed and sustained at PPWP. As an organization dedicated to integrity and equity, it is imperative that we hold ourselves accountable to creating a diverse and equitable workforce that reflects PPWP's values and the diversity and values of the patients we serve. In addition, the PPWP Board of Directors embarked on an effort to evaluate PPWP policies, communication, board recruitment strategies, and other areas and seek ways to be more diverse and inclusive.

PPWP has and will continue to advocate for all human rights – including the rights to health, life, equality, information, education, privacy, freedom from discrimination and violence. In the wake of the killing of Daunte Wright in April 2021, PPWP stood in solidarity with the Movement for Black Lives and the demands for accountability and justice and an end to the inequity that continues to define every moment of life for Black America.

Together with the support of our generous donors, PPWP has been essential to providing the community with affordable and high-quality reproductive, behavioral health, and gender-affirming healthcare, and serving as a strong advocate for the rights that should be afforded to every human being. None of this would have been possible without you. Your contributions are pivotal to the fulfillment of our mission, and we thank you for standing with Planned Parenthood!

Sincerely,

Kimberlee Evert,
President and CEO

Rebecca Foster,
Chair, Board of Directors

PLANNED PARENTHOOD OF WESTERN PENNSYLVANIA OPERATES SEVEN FAMILY PLANNING CENTERS WITH OUR LARGEST CENTER LOCATED IN DOWNTOWN PITTSBURGH. IN ADDITION TO BIRTH CONTROL SERVICES, THESE CENTERS PROVIDE COMPLETE GYNECOLOGICAL CARE, STI TESTING AND TREATMENT SERVICES, WELL-PERSON EXAMS, AND CANCER SCREENINGS. IN FISCAL YEAR 2021, WE PROVIDED 11,744 MEDICAL AND BEHAVIORAL HEALTH VISITS WITH 48% OF THOSE SERVED HAVING ANNUAL INCOMES THAT WERE LESS THAN 100% OF THE FEDERAL POVERTY LEVEL.

NEW SERVICE: HORMONE THERAPY (HT)

ACCESSING HEALTH CARE CAN BE CHALLENGING FOR TRANSGENDER PEOPLE. SOME HEALTH CARE ENVIRONMENTS CAN BE UNWELCOMING — FROM THE **LANGUAGE** USED ON FORMS AND IN WAITING ROOMS, TO **INSURANCE COVERAGE**, TO THE **LACK OF UNDERSTANDING** OF TRANSGENDER IDENTITIES AMONG DOCTORS, NURSES AND OTHER MEDICAL STAFF. IN JANUARY 2021, PPWP BEGAN OFFERING MORE COMPLETE CARE FOR TRANSGENDER AND NONBINARY INDIVIDUALS IN THE FORM OF **HORMONE THERAPY**.

WE ARE AND WILL REMAIN COMMITTED TO HELPING INDIVIDUALS ACCESS SAFE, AFFIRMING, AND AFFORDABLE CARE DURING **EVERY STEP OF THEIR TRANSITION**.

HORMONE THERAPY VISITS BY CLINIC

"I thought the **encouragement** and **reassurance** about a very delayed pap test was so so great, no shame, no scolding, no presumptions about reasons why the patient hadn't had one.

I brought up hesitations/questions/concerns about common misinformation points and clinicians provided **open, direct, and accessible answers**. They even discussed how and why some of the misinformation might have spread, which I felt demonstrated an extra level of **cultural competency**.

I really really really appreciated the clinician discussing how my medical care would be diagnosed for paperwork and coding purposes! **So useful**."

"I loved the **atmosphere** there. I loved that the providers were **LGBTQ** friendly and competent with the entire gender spectrum and **understood** my being non-binary."

"I could tell you all were really serious about learning and doing a good job. I felt like I **mattered to you**."

EDUCATION

THE EDUCATION DEPARTMENT HAD **8,340** CONTACTS LAST YEAR, AND REACHED OVER **1,060** INDIVIDUALS.

WE REACHED OVER 600 PEOPLE DIRECTLY THROUGH OUTREACH EVENTS.

PEER EDUCATION PROGRAM

OUR PEER EDUCATION PROGRAM PIVOTED DUE TO COVID, AND WE PILOTED A VIRTUAL INTENSIVE PEER ACTION INTERNSHIP PROGRAM FROM JANUARY TO MAY, 2021. WE WORKED CLOSELY WITH 11 PEER EDUCATORS TO PURSUE DEEPER DIVES AROUND COMPREHENSIVE SEXUALITY EDUCATION TOPICS, IN ADDITION TO COLLABORATING WITH MULTIPLE COMMUNITY PARTNERS TO FACILITATE LEARNING AROUND RELATED TOPICS, INCLUDING MENTAL HEALTH, WELLNESS, TEACHING, ACTIVISM AND ORGANIZING, AND CAREER READINESS.

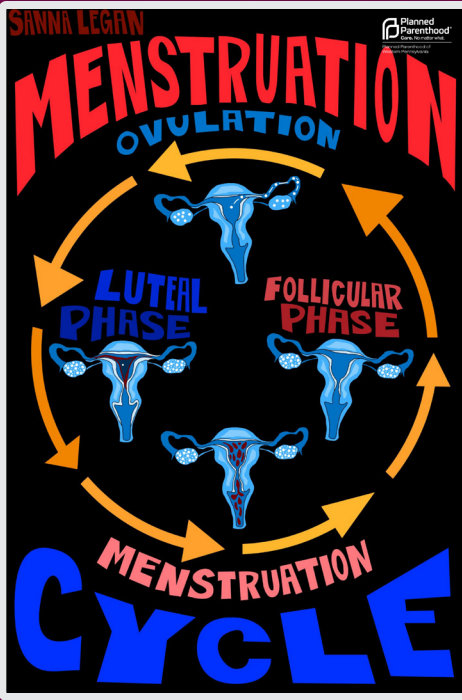

IN ADDITION, WE REACHED **OVER 900 STUDENTS** WITH OUR MULTI-SESSION LIFESKILLS PROGRAMMING IN PEER EDUCATION SCHOOLS AND VARIOUS OTHER SITES.

THROUGHOUT THE YEAR, WE CONTINUED TO STAY IN TOUCH WITH PEER EDUCATORS AND PROVIDED **SUPPORT, RESOURCES, AND VIRTUAL MEET-UPS** AS WELL. OVER THE SUMMER, WE CONTINUED WITH OUTREACH AND **PREPARATIONS TO BE BACK AT SCHOOLS IN-PERSON THIS FALL.** WE ARE CURRENTLY PROVIDING BOTH LIFESKILLS AND PEER EDUCATION PROGRAMMING IN **THREE SCHOOLS FOR THE 2021-22 SCHOOL YEAR.**

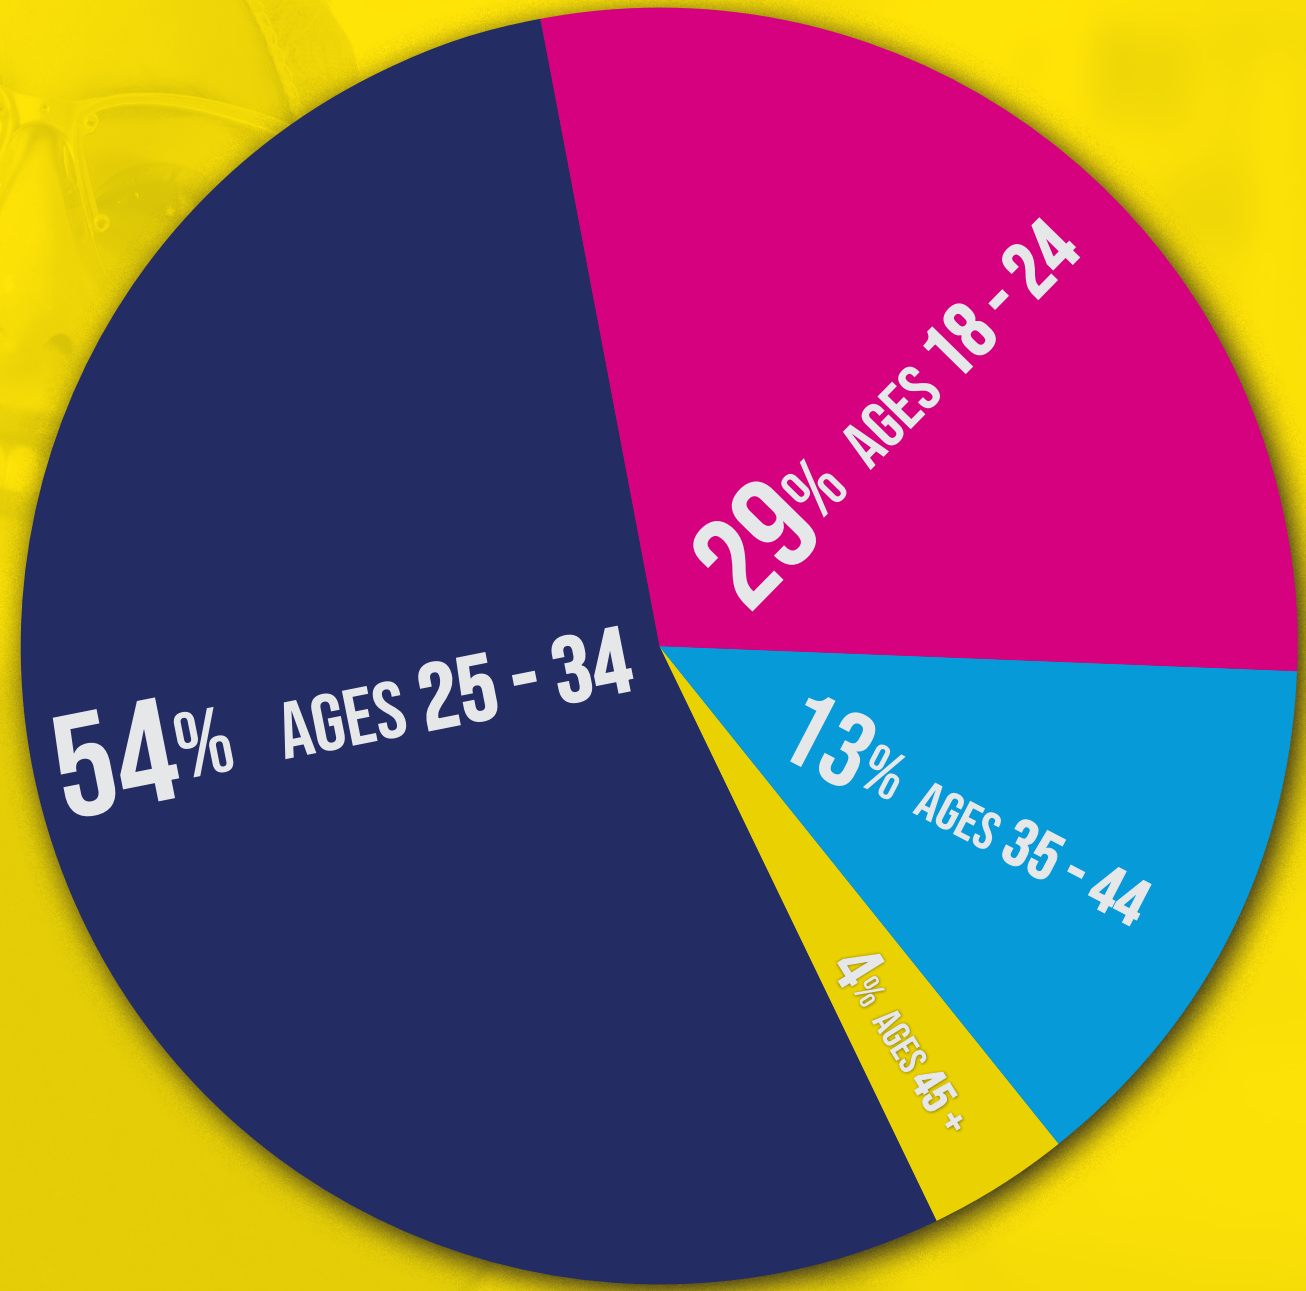

SEX EDUCATION ART CAMPAIGN

IN EARLY 2021 WE RECEIVED FUNDING FROM PPFA'S MISSION INVESTMENT FUND TO WORK WITH A LOCAL ARTIST TO CREATE **INCLUSIVE IMAGES FOR SEXUALITY EDUCATION.** WE PUT OUT A CALL FOR ARTISTS ASKING THEM TO SUBMIT AN APPLICATION AND SAMPLES OF THEIR WORK, AND OUR COMMITTEE SELECTED ARTIST **SANNA LEGAN** TO WORK WITH US TO CREATE THESE IMAGES. WE WILL SHARE THEM WITH THE FEDERATION SO **ALL PP AFFILIATE EDUCATION TEAMS** WILL BE ABLE TO USE THEM IN THEIR PROGRAMMING.

OUR **CARE NO MATTER WHERE** PROGRAM HALTED IN-PERSON TESTING EVENTS FOR A TIME DUE TO COVID, BUT WE WERE ABLE TO BEGIN TESTING AGAIN IN THE SUMMER OF 2020 - AND DO SO MORE REGULARLY ONCE VACCINES WERE AVAILABLE.

WE TESTED **HUNDREDS** OF INDIVIDUALS IN PERSON, INCLUDING MANY YOUNG PEOPLE, AND WE RECEIVED FUNDING FROM AIDS FREE PITTSBURGH TO SUPPORT THIS TESTING AND TO **PURCHASE AND DISTRIBUTE AT-HOME HIV TEST KITS**, WHICH IS A GREAT WAY TO INCREASE ACCESS TO TESTING FOR THOSE WHO FACE BARRIERS.

PA ANTI-ABORTION BILLS 2021

PENNSYLVANIA ANTI-ABORTION LEGISLATION CONTINUES TO BE DRAFTED AND MOVED THROUGH THE STATE'S HOUSE AND SENATE. THESE LAWS RANGE IN SCOPE AND INCLUDE MEDICALLY UNNECESSARY REGULATIONS AND RESTRICTIONS TO OUTRIGHT ABORTION BANS. PPWP CONTINUES TO EDUCATE SUPPORTERS AND PUSHES BACK AGAINST THESE AND ANY TYPE OF LEGISLATION THAT ATTEMPTS TO RESTRICT ACCESS TO SAFE AND LEGAL ABORTION CARE.

HOUSE HB 118: FETAL REMAINS

REP. FRANK RYAN
PASSED CHAMBER

THIS BILL WOULD REQUIRE THAT A PERSON SEEKING AN ABORTION HAVE THEIR EMBRYONIC OR FETAL TISSUE EITHER BURIED OR CREMATED, ESSENTIALLY **IMPOSING A FUNERAL RITUAL** OF SORTS ON PEOPLE.

HOUSE HB 275: SUBSTANCE ABUSE DURING PREGNANCY

REP. DAWN KEEFER
INTRODUCED

THE PARENT WILL BE FOUND **GUILTY OF CHILD ABUSE** IF THE CHILD IS BORN WITH A FETAL ALCOHOL SPECTRUM DISORDER OR TESTS POSITIVE AT BIRTH FOR A CONTROLLED SUBSTANCE. THIS WOULD SET ANOTHER DANGEROUS PRECEDENT AND **DOES NOTHING TO HELP THE FAMILY** IN THE SITUATION.

HOUSE HB 289: ABORTION CLINICS REPORTING BILL

TIMOTHY O'NEIL
INTRODUCED

THIS BILL WOULD FURTHER SINGLE OUT ABORTION CLINICS FOR **ADDITIONAL REQUIREMENTS** — THESE REQUIREMENTS ARE ARBITRARY, REDUNDANT, AND **UNRELATED TO PATIENT HEALTH**. ABORTION CLINICS ARE ALREADY SUBJECT TO STRICTER AND MORE FREQUENT INSPECTIONS THAN ANY OTHER HEALTHCARE FACILITIES IN PENNSYLVANIA.

HOUSE HB 1095: FETAL HOMICIDE

REP. ROB KAUFFMAN
COMMITTEE VOTE SCHEDULED

THE INCLUSION OF THIS ACT IN TITLE 42 WOULD SET A **DANGEROUS PRECEDENT** THAT WOULD FURTHER BLUR THE LINE OF "FETAL PERSONHOOD" AND POTENTIALLY **THREATEN PREGNANT PEOPLE WITH INVESTIGATION AND CRIMINALIZATION.**

MORE PA ANTI-ABORTION BILLS 2021

SENATE TELEMEDICINE ABORTION BAN

SEN. MICHELE BROOKS
CO-SPONSORSHIP MEMO

A MEMO BANNING SAFE MEDICAL ABORTIONS VIA TELEMEDICINE, FURTHER **LIMITING ACCESS TO VITAL HEALTHCARE.**

SENATE SB 152: DEFUND PLANNED PARENTHOOD (WOMEN'S HEALTH FUNDING)

SEN. JUDY WARD
INTRODUCED

THIS BILL PROHIBITS THE DEPARTMENT OF HEALTH FROM ENTERING INTO A CONTRACT OR MAKING A GRANT TO ANY ENTITY THAT PERFORMS NON-FEDERALLY QUALIFIED ABORTIONS OR MAINTAINS A FACILITY WHERE SUCH ABORTIONS ARE PERFORMED EXCEPT AS REQUIRED BY FEDERAL LAW WHEN THE SERVICES ARE **PROVIDED UNDER MEDICAID** AND **BY A PROVIDER QUALIFIED BY THE CENTERS FOR MEDICARE & MEDICAID SERVICES.**

SENATE SB 21 HOUSE HB 1500 DOWN SYNDROME ABORTION BAN

SEN. SCOTT MARTIN
VOTED OUT OF COMMITTEE

REP. KATE KLUNK
INTRODUCED

THESE BILLS ARE YET ANOTHER **UNCONSTITUTIONAL ATTEMPT TO BAN SAFE, LEGAL ABORTION** IN PENNSYLVANIA, WHILE EXPLOITING INDIVIDUALS WITH DOWN SYNDROME AND THEIR FAMILIES AND **NEGLECTING TO OFFER ANY PROTECTION OR ASSISTANCE.**

HOUSE HB 904 SENATE SB 378 6-WEEK ABORTION BAN

REP. STEPHANIE BOROWICZ
VOTED OUT OF COMMITTEE

SEN. DOUG MASTRIANO
+ SEN. JUDY WARD
INTRODUCED

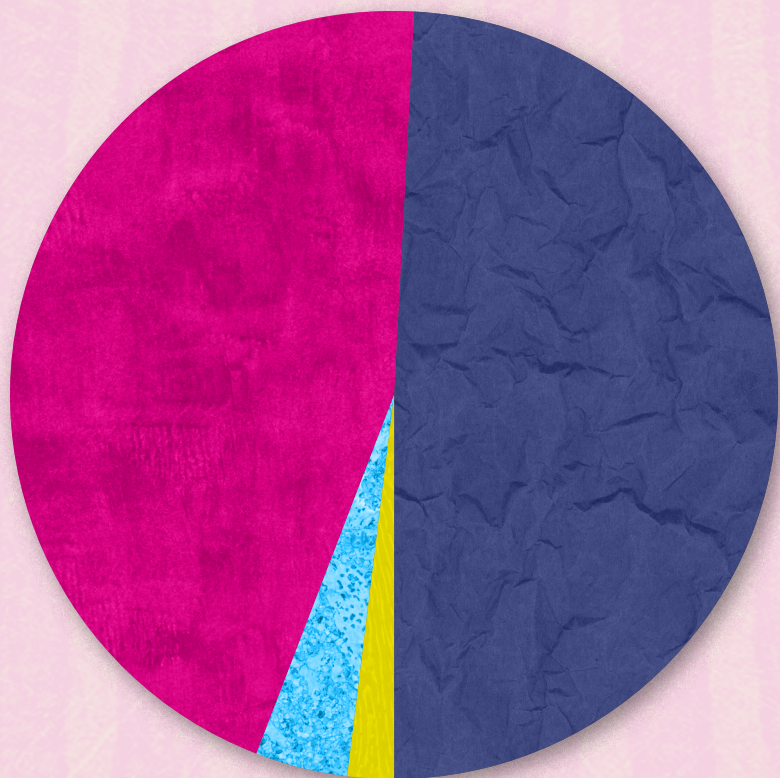

THIS BILL WOULD PREVENT MOST PEOPLE FROM GETTING ABORTIONS AS EARLY AS **SIX WEEKS** INTO A PREGNANCY, ONLY TWO WEEKS AFTER A MISSED PERIOD; THIS IS BEFORE MANY PEOPLE EVEN KNOW THAT THEY ARE PREGNANT.

THIS BILL COULD TAKE AWAY A PERSON'S RIGHT TO MAKE THEIR OWN MEDICAL DECISIONS **BEFORE THEY EVEN KNOW THEY HAVE A DECISION TO MAKE.**

I am so thankful to have had the honor and privilege to serve as Planned Parenthood of Western Pennsylvania's CEO for so many years doing work that is important, meaningful, and often transformational in people's lives.

Over the years, I was fortunate to work with and get to know many compassionate and talented people who shared their wisdom, time, and resources. I know that this deep commitment to our mission will remain, and PPWP will continue to meet community needs and remain centered in our mission for all people to have equitable access to reproductive health care and education.

I am grateful to all of you who have been part of my journey, and for all your efforts that have helped make a difference for so many people.

Debra Taczanowsky
