INDEPENDENT AUDITORS' REPORT

**Board of Directors
Planned Parenthood of Metropolitan Washington, D.C., Inc. and Affiliate
Washington, D.C.**

Opinion

We have audited the accompanying combined financial statements of Planned Parenthood of Metropolitan Washington, D.C., Inc. and affiliate ("PPMW") (a nonprofit organization) which comprise the combined statement of financial position as of September 30, 2022, and the related combined statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of PPMW as of September 30, 2022, and the combined change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PPMW and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PPMW's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Board of Directors
Planned Parenthood of Metropolitan Washington, D.C., Inc. and Affiliate
Washington, D.C.**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PPMW's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PPMW's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited PPMW's 2021 consolidated financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 29, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2021, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

NOTES TO COMBINED FINANCIAL STATEMENTS

September 30, 2022 And 2021

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

ORGANIZATION

Planned Parenthood of Metropolitan Washington, D.C., Inc. (“PPMW”) is a non-profit organization committed to providing high-quality, affordable reproductive health care; promoting educational programs that empower all individuals to make informed and responsible reproductive choices. PPMW establishes, maintains, and operates health centers within the Washington, D.C. metropolitan area which provide and furnish reproductive health care and education.

Planned Parenthood Advocates for DC, Maryland and NoVa (“PPADMV”) is a separate, 501(c)(4) corporation. Four of the board members are now appointed by PPMW and three are appointed by Planned Parenthood of Maryland, Inc. (“PPM”). The purpose of PPADMV is to protect and expand access to reproductive health care and build local power to influence and promote accountability among state and local policy makers.

BASIS OF PRESENTATION

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) ASC 958, *Not-for-Profit Entities*.

The combined financial statements include the accounts of PPMW and its affiliate, PPADMV. All significant intercompany balances and transactions have been eliminated.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

PPMW considers all cash, money market funds and other highly liquid investments with initial maturities of three months or less to be cash equivalents. Cash and other highly liquid investments included in investment accounts are classified with investments.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to a limit of \$250,000. At times during the year, PPMW maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

INVESTMENTS

Investments are recorded at their readily determinable fair value. Realized and unrealized gains and losses are included in net appreciation (depreciation) on investments in the Statement of Activities and Change in Net Assets. Donated securities are recorded at their fair value on the donation date. Gain or loss on securities sales is computed using the first-in, first-out (FIFO) method, or where possible, the specific identification method.

PLANNED PARENTHOOD OF METROPOLITAN WASHINGTON, D.C., INC.

NOTES TO COMBINED FINANCIAL STATEMENTS – (Continued)

September 30, 2022 And 2021

ACCOUNTS, GRANTS AND PLEDGES RECEIVABLE

Accounts, grants and pledges receivable approximate fair value. The allowance for doubtful accounts is determined based upon an annual review of account balances, including the age of the balance and the historical experience with the customer.

Accounts receivable are recorded at their net realizable value, which approximates fair value. Grants and pledges receivable that are expected to be collected in future years are recorded at fair value, measured as the present value of their future cash flows. The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contribution revenue.

THIRD-PARTY PATIENT RECEIVABLES

Third-party patient receivables are related to billed patient services fees. Patient services fees receivable are reported at the estimated net realizable value from patients and third-party payers for services rendered. An allowance for doubtful accounts (a percentage of the receivables balance) is determined based on past collection experience.

Revenue under third-party payer agreements is subject to audit and retroactive adjustments. Revenues for estimated third-party payer settlements are recorded in the period in which the related services are rendered.

Differences between the estimated amounts accrued and the interim and final settlements are reported in revenues in the year of settlement. Due to the variability in the timing of settlement of these receivables, PPMW does not have a formal policy for considering the receivables past due.

INVENTORY

Inventory consists of medical supplies, contraceptives, and medications held for sale at each of PPMW's clinics. Inventory is recorded at cost using the first-in, first-out (FIFO) method.

PROPERTY AND EQUIPMENT

Property and equipment are stated at cost or estimated fair value at the time of donation. Acquisitions of property and equipment in excess of \$1,000 are capitalized. The cost of maintenance and repairs is recorded as expenses are incurred.

Property and equipment are depreciated on a straight-line basis over the estimated useful lives of the related assets. The classes of assets and their estimated useful lives are as follows:

Building and Improvements	10-40 Years
Furniture and Equipment	3-10 Years
Leasehold Improvements	Original Lease Term

During 2013, PPMW began a capital campaign for the purchase of the new building. PPMW moved into the building in 2017. The building and building costs are recorded at cost and are depreciated over the estimated useful lives on individual additions. All unspent portions from the capital campaign are included in net assets with donor restrictions at fiscal year end.

Management reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the assets is reduced, by a charge to Statement of Activities and Change in Net Assets, to its current fair value.

September 30, 2022 And 2021

NET ASSETS

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. All contributions are considered available for unrestricted use, unless specifically restricted by the donor. Accordingly, net assets of PPMW and changes therein are classified and reported as follows:

Net assets without donor restrictions – include the revenues and expenses associated with the principal mission of PPMW and are segregated as follows:

Undesignated: These may be used by management for any purpose without restriction.

Board Designated: This is a reserve created by the board consisting of bequests that were received without donor restrictions. Revenues and expenses associated with any related transactions are considered undesignated.

Net assets with donor restrictions – include gifts for which restrictions have not been met. Net assets with donor restrictions are limited by donors for a specific purpose or specified period. Also includes gifts and contributions which require, by donor restriction, that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

REVENUE RECOGNITION

Clinic fees and sales revenue are based on the premise that PPMW has a performance obligation to provide family planning services to the organization's patients. As compensation for these services, PPMW is entitled to a service fee based on the level of service provided. The patient's copays for the services are generally collected at the point of service and the remaining charges are billed to the patient's commercial insurance or Medicaid. For self-pay patients, fees are collected at the point of service. PPMW generally satisfies the performance obligations on the date the service was rendered.

Patient fees, which consist primarily of fees for family planning services and the sale of contraceptives, are recorded when earned net of any discounts and contractual adjustments. Contractual adjustments represent the difference between the gross fees charged and the net fees received from third-party payors.

Medical and educational services include revenue earned for services provided to patients who may not qualify for services under the Federal and state fee-for-service programs. These services are paid for directly by the patient on a fee sliding scale when appropriate, or by their private health insurance plan. Similar to the government fee-for-service revenue, private health insurance plans generally reimburse at rates other than the PPMW's usual and customary billing rates. Private health insurance revenues are recorded at estimated expected receipt values at the time the services are provided.

PPMW recognizes contributions when cash; securities or other assets; and unconditional promise to give are received. Conditional promises to give – that is, those with a measurable performance or other barrier and right of return – are not recognized until the condition on which they depend have been met. Unconditional contributions are classified as without donor restrictions unless there are donor stipulations that limit the use of the donated assets. Contributions received are recorded as with or without donor restrictions support, depending on the existence and nature of any donor restrictions. Donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTES TO COMBINED FINANCIAL STATEMENTS – (Continued)

September 30, 2022 And 2021

Revenue for the CAPS Justice Fund is distributed by Planned Parenthood Federation of America (PPFA). The funding is to provide abortion services for lower income women and is recognized on a monthly basis based on services performed.

CONTRIBUTED SERVICES

Contributed services consist of pro-bono legal services. Contributed services are recorded at their fair value as of the date of the gift.

INCOME TAXES

PPMW is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. PPMW is not a private foundation.

For the year ended September 30, 2022, PPMW has documented its consideration of FASB ASC 740-10, Income Taxes, which provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements. PPMW's federal information returns are generally subject to examination by the Internal Revenue Service for three years, including the fiscal years ended September 30, 2019, 2020 and 2021, as well as the return to be filed for the fiscal year ended September 30, 2022.

FUNCTIONAL ALLOCATION OF EXPENSES

Expenses, not specifically identified by type, are allocated between program, management and general and fundraising expenses using the following methods. Expenses associated with facilities, including occupancy, are allocated based upon the square footage used by the program, management, and administrative personnel. Human resource and information technology related expenses are allocated to departments based on departmental headcount. All other expenses are allocated based upon estimates made by PPMW's management. Functional expenses fluctuate annually based on the priorities of PPMW.

RISKS AND UNCERTAINTIES

PPMW invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

FAIR VALUE MEASUREMENT

PPMW adopted the provisions of FASB ASC 820, Fair Value Measurement. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. PPMW accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

PRIOR YEAR INFORMATION

The financial statements include certain prior year summarized comparative information, in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements of PPMW, as of, and for the year ended, September 30, 2021, from which the summarized information was derived.

NEW ACCOUNTING PRONOUNCEMENT NOT YET ADOPTED

In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the statement of financial position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2021. Early adoption is permitted. The ASU should be applied at the beginning of the earliest period presented using a modified retrospective approach. PPMW plans to adopt the new ASU at the required implementation date.

TOTAL INVESTMENTS	<u>\$13,144,257</u>	<u>\$4,824,944</u>

Included in investment income (loss) for the years ended September 30, 2022 and 2021 are the following:

	<u>2022</u>	<u>2021</u>
Interest and dividends	\$ 154,502	\$ 67,648
Net appreciation (depreciation) on investments	<u>(788,873)</u>	<u>703,284</u>
TOTAL INVESTMENT INCOME (LOSS)	<u>\$(634,371)</u>	<u>\$ 770,932</u>

Investment income (loss) is net of \$33,079 and \$31,283 of investment management fees for the years ended September 30, 2022 and 2021, respectively.

(3) FAIR VALUE MEASUREMENT

In accordance with FASB ASC 820, Fair Value Measurement, PPMW has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

PLANNED PARENTHOOD OF METROPOLITAN WASHINGTON, D.C., INC.

NOTES TO COMBINED FINANCIAL STATEMENTS – (Continued)

September 30, 2022 And 2021

If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market PPMW has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

- Exchange traded funds - The fair value is equal to the reported net asset value of the fund, which is the price at which additional shares can be obtained.
- Fixed income bond funds - The fair value is equal to the reported net asset value of the fund, which is the price at which additional shares can be obtained.
- Mortgage pools - Fair value is based upon current yields available on comparable securities of issuers with similar ratings, the security's terms and conditions, and interest rate and credit risk.

The table below summarizes, by level within the fair value hierarchy, PPMW's investments as of September 30, 2022 and 2021:

	<u>2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$ 20,077,751</u>	<u>\$ 20,662,629</u>

(6) REFUNDABLE ADVANCE

On April 10, 2020, PPMW received a loan in the amount of \$1,328,800 under the Small Business Administration’s (SBA) Paycheck Protection Program (“**PPP**”). PPMW considered this loan to be a conditional contribution as it expected to meet the criteria for loan forgiveness upon incurring eligible expenditures and when its application was accepted by the SBA. PPMW considered the incurrence of eligible expenses and the acceptance of its application for forgiveness to be barriers in the PPP loan agreement, and as such, would recognize contribution income when these conditions were substantially met. PPMW received notification from the SBA that this PPP loan was forgiven July 1, 2021.

On July 1, 2021, PPMW received a second loan in the amount of \$1,308,335 under PPP. Like the first PPP loan, this loan was considered a conditional contribution with revenue recognition subject to the incurrence of eligible expenses and acceptance of the loan forgiveness of application by the SBA. On March 16, 2022, PPMW received notification from the SBA that this PPP loan was forgiven.

(7) LINE OF CREDIT

In August 2020, PPMW established a line of credit for \$4,500,000 with Atlantic Union Bank. Interest accrues at the London Interbank Offered Rate plus 3% with a floor of 3.25% (7.37% at September 30, 2022). The outstanding balance on the line of credit at September 30, 2022 and 2021 was \$50,000. The line matures May 31, 2023. Interest expense on this line of credit was \$1,873 and \$8,796 for the years ended September 30, 2022 and 2021, respectively. The line of credit is secured by unrestricted pledges, grants and gifts. In addition, the line is also secured by a lien on PPMW’s mortgaged property under the Deed of Trust. The loan agreements also place restrictions on PPMW’s ability to incur additional indebtedness.

TOTAL NET ASSETS RELEASED FROM RESTRICTIONS	<u>\$ 625,562</u>

(9) ENDOWMENT

PPMW's endowment consists of donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, PPMW classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with UPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the organization and the donor-restricted endowment fund;
- General economic conditions and the possible effect of inflation and deflation;
- The expected total return from income and the appreciation of investments; and
- Investment policies of the organization.

FUNDS WITH DEFICIENCIES

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the organization to retain as fund of perpetual duration. In accordance with GAAP, there were no deficiencies of this nature as of September 30, 2022 and 2021.

RETURN OBJECTIVES AND RISK PARAMETERS

PPMW has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in-perpetuity.

Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to protect the principal identified to meet short-term cash flow needs; to protect the purchasing power of capital identified to meet intermediate-term needs; to achieve appreciation in the value of investments with long-term time horizon that is sufficient to offset cumulative impact of inflation on purchasing power over time; to avoid investments and strategies that would compromise PPMW's tax exempt status; and to avoid material investments that are inconsistent with PPMW's mission.

STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES

PPMW'S investment strategy is to emphasize net total return; that is, the aggregate return from capital appreciation (both realized and unrealized), dividends, and interest, after investment expenses. PPMW is prepared to accept the risk of short-term volatility in exchange for an increased likelihood of earning a net total return over a 10-year time horizon that fulfills the primary goals for the invested assets, i.e., a net total return of more than 4.5% after inflation and investment expenses.

Consistent with PPMW's perspective, objectives, and time horizon, publicly traded equities, including common stocks, mutual funds, and exchange traded funds investing primarily in common stocks traded on United States exchanges or NASDAQ, should represent 60 to 70% of the portfolio absent a specific vote by the Finance Committee.

Fixed income holdings, bank deposits insured by the FDIC, money market funds, and investment grade publicly traded bonds and preferred stocks (including mutual funds and exchange traded funds investing primarily in investment grade fixed income assets), should represent 30% of the portfolio absent a specific vote by the Finance Committee. Cash, bank deposits that can be accessed without penalty, and money market funds should comprise at least 5% of the portfolio absent a specific vote by the Finance Committee.

SPENDING POLICY AND HOW THE INVESTMENT OBJECTIVES RELATE TO SPENDING POLICY

PPMW has adopted a "total return" approach to the definition of investment income. PPMW's primary goals relating to the invested assets are for the assets to provide at least 3.5% of the average invested assets (calculated based on quarterly invested assets for the prior 3 years) to PPMW's operating budget. In establishing this policy, PPMW considered the long-term expected return on its endowment. Accordingly, PPMW is prepared to accept the risk of short-term volatility in exchange for an increased likelihood of earning a net total return over a 10-year time horizon that fulfills the primary goals for the Invested Assets, i.e., a total return of more than 4.5% after inflation and investment expenses. This is consistent with PPMW's objective to maintain the purchasing power of the endowment assets held in-perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

(10) LEASE COMMITMENT

PPMW leases certain building spaces for clinical services in the Washington, D.C. metropolitan area, which expire at various times through March 2026. In addition, PPMW leases various office equipment under leases which expire through December 2027.

Minimum future rental commitments for these leases as of September 30, 2022 and 2021 are as follows:

<u>Year Ending September 30,</u>	
2023	\$ 128,500
2024	131,400
2025	131,500
2026	52,400
2027	<u>4,900</u>
	<u>\$ 448,700</u>

Rent expense, which is included in occupancy and related expenses in the Statement of Functional Expenses, was approximately \$206,700 and \$193,300 for the years ended September 30, 2022 and 2021, respectively.

(11) CONTRIBUTED SERVICES

PPMW received contributions of legal services which are recorded as support (revenue) and expense. The expense was charged to the programs and activities to which the services relate based on the fair value of those services. During the years ended September 30, 2022 and 2021, total donated services were approximately \$55,500 and \$125,300, respectively.

(12) PENSION PLAN

PPMW participates in a defined contribution plan sponsored by Planned Parenthood Federation of America, Inc. Employees become eligible to participate on the first of the month, coincident with or following the date on which the employee attains age 19 and completes one year of service with PPMW. PPMW matches 50% of the employee's contribution up to 6% of the employee's salary. Total employer contributions to the plan totaled approximately \$169,200 and \$139,700 for the years ended September 30, 2022 and 2021, respectively.

(13) AFFILIATED ORGANIZATIONS

Annually, PPMW receives from PPFA a percentage of donations made to the Federation from individuals residing in regions serviced by the organization. For the years ended September 30, 2022 and 2021, the organization received contributions of \$2,950,181 and \$2,099,285, respectively. In addition, PPMW received \$118,000 and \$101,000 for the years ending September 30, 2022 and 2021, respectively, for the Consortium of Abortion Providers (CAPS) funding which is administered by PPFA. PPMW also received \$851,132 and \$1,010,027 in various grants from PPFA during the years ended September 30, 2022 and 2021, respectively.

Dues paid to PPFA were \$47,600 for the year ended September 30, 2022. No dues were paid in 2021. PPOL dues were \$36,000 and \$36,000 for the years ended September 2022 and 2021, respectively.

September 30, 2022 And 2021

PPMW is reimbursed by PPM for services performed and certain costs incurred on their behalf. At September 30, 2022 and 2021, \$102,367 and \$152,228, respectively, was due from PPM. PPM was reimbursed for costs incurred on behalf of PPMW for services they provided to PPADMV. PPADMV owed \$14,539 and \$5,554 to PPM at September 30, 2022 and 2021, respectively. There was no amount payable by PPADMV to PPM. During the year ended September 30, 2022, PPM granted \$70,000 to PPADMV which was in contributions receivable as of September 30, 2022.

PPMW paid dues to Planned Parenthood Advocates of Virginia (“PPAV”) of \$33,333 for the year ended September 30, 2022. At September 30, 2022, \$12,500 was due to PPAV. PPADMV made a contribution to PPAV for \$50,000 for the year end September 30, 2022.

(14) FINANCIAL ASSETS AND LIQUIDITY RESOURCES

The following table reflects PPMW’s financial assets as of September 30, 2022 and 2021, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual and/or donor restrictions.

Financial Assets

	<u>2022</u>	<u>2021</u>

PPMW strives to maintain liquid financial assets to be available as its general expenditures, liabilities and other obligations become due. PPMW has \$2,581,938 and \$3,130,842 of board designated funds as of September 30, 2022 and 2021, respectively, which could be made available, if necessary, with Board approval. In addition, PPMW maintains a line of credit for \$4,500,000 which can be drawn upon if needed.

(15) CONTINGENCIES

In early 2020, an outbreak of novel strain of coronavirus (COVID-19) emerged globally. As a result, there have been mandates from federal, state, and local authorities resulting in an overall decline in economic activity. The current operating environment is changing rapidly. The extent of the impact that the COVID-19 pandemic will have on the financial performance of PPMW’s investments and operations is not reasonably estimable at this time. Management will continue to monitor the effects of the COVID-19 pandemic and will adjust operations as necessary.
