

Are you interested in getting an IUD today?

We are currently looking for volunteers for a study!

If you are:

Between **18-35 years old**, you want a **Hormonal IUD** placed, and you are willing to receive daily/weekly text message surveys for 1-month of follow up data including a urine pregnancy test result one month after IUD placement, ask clinic staff about a research opportunity.

If selected, your IUD will be no-cost to you, and you will be compensated up to **\$150!**
