

# Washington Gender-Affirming Care Resources

## How to use this guide

This document contains Washington-specific information to connect transgender and nonbinary individuals with medical, behavioral, financial, community, family, legal, educational, and other resources.

Use the clickable table of contents to navigate to the area in which you are searching. This document also contains a “statewide” resource section with community organizations, telehealth options, pharmacy options, and Medicaid and PrEP information.

**If you are looking for a specific type of resource, use ctrl+f to search for a keyword in the document.**
